BC ASSOCIATION OF SOCIAL WORKERS 2020 CONFERENCE

THE PROFESSION OF SOCIAL WORK ROARING INTO THE TWENTIES!

March 13-14, 2020

Pacific Gateway Hotel at Vancouver Airport, 3500 Cessna Drive, Richmond, BC

The BC Association of Social Workers' Conference brings together social work practitioners, students, and educators for two days of skill building, knowledge development, and networking. BCASW invites proposals that reflect the range of social work practice with individuals, families, and communities. The theme of roaring into the twenties points to being strongly equipped as professionals; meeting today's challenges such as environmental crises, use of communications technology, re-visiting our code of ethics with the lens of truth and reconciliation, and informing practice with innovative research and approaches to practice.

The BCASW Conference provides an exceptional opportunity to promote your services, programs, or products. Your attendance at the conference will be publicized in advance to our membership.
