Be a part of a dedicated team who is passionate about achieving our vision of an inclusive and supportive community where children, youth and their families thrive.

An integral member of a multi-disciplinary Community Mental Health Team and in coordination with other community agencies and professionals, you provide a range of mental health services to children, youth and their families, when the child or youth is suffering from serious emotional, psychological, behavioral or psychiatric illness.

As a Clinician, you provide direct clinical services such as intake, assessment, diagnosis, treatment, and crisis intervention for children, youth and their families. Consulting with community agencies, schools, hospitals, and other ministry programs, you understand the importance of being involved in community education, development, coordination, and prevention/early intervention programs. You build and maintain relationships with a wide variety of stakeholders in the community to ensure that conflicts are resolved and appropriate outcomes are achieved.

This is your opportunity to work with families facing difficult challenges and help make a difference.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

Qualifications for this role include:

- Masters in Social Work, Educational Counselling, Clinical Psychology or Child and Youth Care or comparable graduate degree at the Master's level, or equivalent.

NOTE: If your degree was obtained outside of Canada, you need to confirm it has been assessed for equivalency through the International Credential Evaluation Services ([ICES](#)). Confirmation for equivalency for your degree is required for you to be considered. Please indicate in your resume (include a copy of the approval; if in progress), proof must be provided on or by the closing date of the posting).

- Minimum of one year full-time equivalent experience working with children and youth and their families, with responsibility for providing a wide range of community based mental health services.
