In addition to the re-imbursment of relocation costs (where applicable), the incentive program provides the following:

- Up to a maximum of \$6,000 annual lump sum payment to regular permanent full-time Social Program Officers in the SPO R18 to SPO R30 classifications* OR

*Full payment of the incentive is based on regular eligible classifications (SPO R18 to SPO R30) working in an approved location for the full fiscal year (April 1 to March 31). A pro-rated incentive payment may be provided to candidates who work a partial year and/or part-time hours.

Be a part of a dedicated team who is passionate about achieving our vision of an inclusive and supportive community where children, youth and their families thrive.

An integral member of a multi-disciplinary Community Mental Health Team and in coordination with other community agencies and professionals, you provide a range of mental health services to children, youth and their families, when the child or youth is suffering from serious emotional, psychological, behavioral or psychiatric illness.

As a Clinician, you provide direct clinical services such as intake, assessment, diagnosis, treatment, and crisis intervention for children, youth and their families. Consulting with community agencies, schools, hospitals, and other ministry programs, you understand the importance of being involved in community education, development, coordination and prevention/early intervention programs. You build and maintain relationships with a wide variety of stakeholders in the community to ensure that conflicts are resolved, and appropriate outcomes are achieved.

Qualifications for this role include:

- Master's Degree in Social Work, Educational Counselling, Clinical Psychology or Child and Youth Care or comparable graduate degree at the master's level, or equivalent.
NOTE: If your degree was obtained outside of Canada, you need to confirm it has been assessed for equivalency through the International Credential Evaluation Services ([ICES](https://www.ices.ca/)).
- Minimum of 1 year full-time equivalent experience working with children and youth and their families, with responsibility for providing a wide range of community based mental health services.
- Must possess and maintain a valid class 5 BC Driver's license with no restriction or equivalent (i.e. from another Canadian Province).
